ACT 1

THE PLOT

Mr. Corn Fed Gobbler, a big feather and duster man from Vermont, all dressed up and no place to go, arrives in San Pedro and meets Mr. Hormel Ham, a big pork and sausage man from Chicago, who likewise, is in the same predicament. NOW THE PLOT THICKENS — they are being observed by a Patootie Masher with a shady past, who approaches them and entices them to the Mess Decks aboard the Nevada where their adventures are both thrilling and exciting.
